CATHY R. STEEN
KANAWHA CO. CIRCUIT COURT

**ORDER TO AMEND THE ORDER CREATING THE A&I CORPORATION
ASBESTOS BODILY INJURY TRUST**

By Order entered on August 29, 2007, the Court directed the Trustee of the A&I Corporation Asbestos Bodily Injury Trust ("Trust") to confer with an expert and make a recommendation regarding potential amendments to Section 5.6 of Appendix A of the Order Creating A&I Corporation Asbestos Bodily Injury Trust ("Order") to establish the amount payable for the Scheduled Payments by Disease Class and fix the maximum attorneys fee award and cost reimbursement for each such Class.

The Trustee conferred with Mark A. Peterson and, at the Trustee's direction, Mr. Peterson prepared a report dated January 3, 2008, that recommends two potential models (e.g., 100x and 80x) that establish the Scheduled Payments by Disease Class. The Court finds that the model identified as 100x provides a larger payment to claimants than the 80x model. Consistent with the Court's prior finding to maximize the net payment to claimants to the extent of available Trust resources, the Court adopts the 100x model and hereby **ORDERS, ADJUDGES, and DECREES** that the Scheduled Payments by Disease Class and the maximum attorneys fee award

and cost reimbursement for each such Class shall be as follows:

	Net Payment To Claimant	Maximum Attorneys' Fees & Costs
Class I	\$26,253.90	\$2,917.10
Class II	\$5,250.60	\$583.40
Class III	\$2,100.60	\$233.40
Class IV	\$787.50	\$87.50
Class V	\$261.90	\$29.10

The Circuit Clerk is directed to forward a certified copy of this Order to all counsel of record.
